

FAIR **VOTE?**

For Georgians, Who Fought and Died for Georgia

Fellow Georgians,

Do you believe you are entitled to a Fair Vote to select a State Flag that represents your State? Do you believe the State Flag referendum held in March 2004, which did not include the 1956 – 2001 State Flag, was unfair?

If you answered “Yes” to both questions then you’re not alone. The most recent Mason-Dixon Statewide poll conducted in January 2005, indicated that 79% of Georgians believe as you do.

There is good news; there is a bill in the Governmental Affairs Committee **House Bill 15** that allows Georgians a Fair Vote that includes the 1956 – 2001 State Flag. The very Flag that was stolen from Georgia, which was created to honor Georgia’s Veterans and Southern Heritage.

As of now House Bill 15 is Locked in Committee.

Our Honorable State Representative

Lynn Smith

is a member of the Governmental Affairs Committee and has the ability to move this Bill forward to be voted on the State House Floor.

Please Contact Her and Encourage Her to Let House Bill 15 out of Committee NOW.
