**LET'S "BOOT"! ANTI-SOUTHERN
TIM GOLDEN - State Senator - Dist. 8
RON BORDERS - House Rep - Dist. 175
JAY SHAW - House Rep - Dist. 176**

In 2000 (House Bill 16): *Tim Golden, Ron Borders, & Jay Shaw* voted with Ex-Governor Roy Barnes to change Georgia's 1956 Veterans Memorial State Flag that honors our Southern Heroes and Heritage. This was done against the will of Georgians, simply to appease the City of Atlanta and shake down artists like Jesse Jackson.

In 2003 (House Bill 380): *Tim Golden, Ron Borders, & Jay Shaw* voted to instate yet another State Flag without any input from Georgians and they voted for a State Flag Referendum that did not include the 1956 Veterans Memorial Flag that was stolen from Georgia. The very flag that *Tim Golden, Ron Borders, & Jay Shaw* voted to remove in 2000.

***Tim Golden, Ron Borders, & Jay Shaw* have consistent and proven anti-Southern voting records. They have shown that they take their marching orders from big business interests in the City of Atlanta, instead of from the good people in their district.**

What's next on Tim Golden's, Ron Borders' & Jay Shaw's politically correct liberal agenda? Stone Mountain? (see HB899)

Ron Borders & Jay Shaw on Nov. 2nd**
